US SQUASH Junior Men's Team (USJMT) Selection Procedures - 2022 Men's World Junior Team Championships

[PLEASE NOTE THAT THE WORLD SQUASH FEDERATION ARE CURRENTLY CONSIDERING CHANGES TO THE STRUCTURE OF THE WORLD JUNIOR CHAMPIONSHIPS. IN THE INSTANCE THAT THESE CHANGES ARE ENFORCED, US SQUASH WILL MAKE ANY NECESSARY ADJUSTMENTS TO THE SELECTION CRITERIA. PLEASE SEE SECTION 7 FOR MORE DETAILS.]

1. Eligibility Criteria

In order for players to be considered for the team, candidates must:

1. Maintain full United States citizenship.
2. Be age-eligible for the competition in question.
3. Maintain US Squash membership from the start of the candidate process through the end of the competition.
4. Comply with all World Squash Federation eligibility requirements regarding international championships.
5. Have no documented serious on or off-court conduct violations of the US Squash Code of Conduct.
6. Sign and comply with all US Squash U.S. Junior Team policies and contracts.

2. Selection Process

There are two paths for selection to the USJMT

(Path A) Earning points by competing in Selection Events as listed in these criteria

Or

(Path B) Being a top 150 ranked PSA player on March 1, 2022

Details of these two paths are detailed below:

(Path A) Selection Event Points

Men's World Junior Team Championships Selection Criteria 2022

- Six (6) players will represent the U.S. on the Junior Men's Team in 2022.
- Points will be awarded for placing positions in the Selection Events listed under #. Selection Events below.
 - Points earned in the 2022 U.S. Junior Closed will count 1.5 times the point value of the JCT events.
 - Points are only earned by players in the BU19 division.
- After the conclusion of the 2022 U.S. Junior Championships (Closed), a player's best four (4) out of six (6) event results will be calculated to determine the team. The top four age-eligible players will be selected to compete in the Junior World Championships based on the criteria outlined. If a player earns a position through Path B, this will count as one of these five (5) positions.
- The 5th and 6th position of the team is designated for a "developmental" player. This position will be filled by the player who finishes in the top fifteen (15) in the selection point standings in the BU19 division & is eligible to play in the Junior World Championships in 2024. If no player qualifies by these criteria, the two players with the highest ranking in the BU17 division who will be age-eligible for the 2024 Junior World Championships will be selected. In this case, the first ranking period which includes the results from the 2022 U.S. Junior Championship (Closed) will be used.
- Please see Appendix 1 for tiebreak information in the event that two or more players have tied point averages.

(Path B) PSA Ranking

- Any player who is ranked in the top 150 on the PSA Tour by March 1, 2022 is eligible for the USJMT provided she meets the Eligibility Criteria in Section 1. Should a position be accepted by a player based on this Path B, it would reduce the number of available positions on the USJMT via Path A.

The top four (4) ranked players will compete in both the World Junior Individual Championships and the World Junior Team Championships. Players qualifying in the 5th and 6th positions will only compete in the World Junior Individual Championships.

Note: College players that would be age eligible to compete in the World Junior Championships should follow one of the two paths above to qualify for the team.
