2 Selection Process

Players wishing to participate in the USJWT for the 2022 World Junior Individual Championships will be selected based on the following criteria:

- Three (3) players will represent the U.S. on the Junior Women's Team in 2022.
 - Additional positions are explained below.
- Points will be awarded for placing positions in the Selection Events listed under #. Selection Events below.
 - Points earned in the U.S. Junior Closed will count 1.5 times the point value of the JCT events. Points are only earned by players in the GU19 division.
- After the conclusion of the U.S. Junior Championships (Closed), a player's best four (4) out of five (5) event results will be calculated to determine the team. The top three age-eligible players will be selected to compete in the World Junior Individual Championships based on the criteria outlined.

Please see Appendix 1 for tiebreak information in the event that two or more players have tied point averages.

2. Additional Positions

If the WSF grants US Squash additional playing positions, players will be invited based on the following criteria:

- WSF may approve up to three (3) additional positions for the Individual Event.
- Any players granted additional playing positions must meet the Eligibility Criteria in Section 1 and be 18 years of age or younger on August 31, 2023.
- The positions are first opened to the players finishing in the Top 10 in the GU19 Selection Standings, in order of final standings. If all additional positions are not filled at this point then the top ranked players in the GU17 Division will be invited in ranking order up to the #10 position. Rankings to determine qualification will be based on the first rankings run after the 2022 U.S. Junior Championship (Closed).

The additional positions are self-paid by the player(s) that receives the position. This will be itemized by US Squash and then invoiced immediately after the event.

Injury or Illness:

If a player will not have the necessary results to compute his average as a result of injury then that player may be awarded a to be determined point equivalent at the National Team Committee's discretion. This will be based upon, but not limited to, previous points values earned.

The National Teams Committee shall have the discretion to evaluate other circumstances, other than injury or illness, which preclude an athlete from participating in a scheduled selection event. Supporting evidence of the circumstance(s) may be required.

5. Replacement & Removal of Athletes:

Following final selection of the Team members, replacements will only be made if:
