

2025 Pan American Junior Championships – Selection Criteria

The Pan American Junior Championships brings together junior competitors from all competing nations in North, Central, and South America and the Caribbean. This event includes a team competition, an individual singles event, and for many years also features softball doubles. US Squash will support a contingent of players as a development opportunity for the country's top ranked junior players. US Squash will nominate eight players—four girls and four boys—to represent Team USA with the players being selected based on the following criteria.

Note that this trip is self-funded by the players.

1. Eligibility Criteria

In order to be considered for selection, all players must:

- Maintain full United States citizenship.
- Be age-eligible for the competition in question.
- Maintain US Squash membership from the start of the candidate process through the end of the competition.
- Comply with all World Squash Federation eligibility requirements regarding international championships.
- Have no documented serious on or off-court conduct violations of the US Squash Code of Conduct.
- Sign and comply with all US Squash U.S. Junior Team policies and contracts.

2. Selection Information

Players wishing to participate on the U.S. Team for the 2025 Pan American Junior Championships will be selected based on the following criteria:

- The two (2) next top-ranked players in the both the GU19 and BU19 divisions *after* those selected to represent the U.S. in the World Junior Championships, who confirm their interest, will be selected to represent the U.S. at the 2025 Pan American Junior Championship.
- The remaining two (2) positions in each of the GU19 and BU19 divisions will be open only to players who are age-eligible to compete for Team USA the following year at the World Junior Championships. Players meeting this age eligibility will be selected based on the following criteria:
 - Players remaining in the top 16 of the U19 rankings after those already selected, in order of ranking;
 - If no eligible players remain in the top 16 of the U19 rankings, one or both additional positions will be filled from the U17 rankings, in order of ranking.
- Players who accept a position to the World Junior Championship team may not compete in the Pan American Junior Championship; athletes may not represent the U.S. in both competitions.
- Rankings will be based on the first rankings run after the 2025 U.S. Junior Championships (March 19, 2025).
- In the event that players are tied in ranking point average, player ratings are used to break the tie, with the higher-rated player earning the team selection.
